

Business Partners Inc.

BPI provides Organizational Performance Consulting focused primarily on **strengthening** an organizations ability to **Collaborate, Automate, and Change**. We believe targeting these capabilities will enrich organizational energy & relationships, reduce costs, and position members for significant personal and business achievements.

Companies recognize that "**Smart Changes**" are key to remaining successful in today's marketplace. **Yet 70% of major change initiatives fail to net desired results.** That said, we would like to partner with you in your development journey and are pleased to offer these services....

- **Leadership & Team Development**
- **Enhancing Process Performance Through Automation**
- **Support to Successfully Enable & Navigate Your Changes**

Our BPI Associates have significant experience supporting organizational members, within diverse industries, to identify and navigate change initiatives. We recognize that establishing strong working relationships, at all levels, is key to our goals of consistently delivering solutions that exceed your expectations. Our prior clients include AT&T, H&R Block and KonnectIT.

Our **services** are similar to those offered through larger consulting firms yet **at an affordable rate.** In assessing "*Where you are today*", we will work with you in developing "**actions**" that **navigate you towards your vision of productivity and performance.** Our straight talk approach seeks to provide you the ability to **surface and candidly address business issues that impede your desired performance.**
